## Holidays for special royal occasions

People in Ashdon would have the day off work and school and have street parties!

Have you ever been to a street party?

What souvenirs do you bring back from your holiday?

Draw a picture imagining you are going on a coach trip to the seaside with your Ashdon friends in the 1950s

**OR**

Draw a picture imagining you are at a street party in Ashdon in 1953 for the Queen's Coronation

Remember to include: who you are with, what you are doing, what you are eating, your feelings about the day, what the weather is like!
